

COVID-19 Arrangements (Feb21)

Please do not come to either of the food banks if you or any member of your family displays any symptoms of COVID-19. Alternative arrangements can be made for a nominated person to collect on your behalf. Anyone who appears to show symptoms will be asked to return home.

If you visit us please be prepared to practise social-distancing by maintaining separation of at least two metres in addition to wearing a face mask at all times and following any additional instructions of the Coordinator on duty. This will involve allocation to waiting areas which have been identified for you and waiting to be called forward to collect your food.

With our restricted operations you will need to complete our shopping list to provide to the Coordinator on duty and you may need to wait a short while as your bags of supplies are prepared.

For all visitors we ask that you are patient and comply with the rules and respect the guidance of our volunteers whose health and safety, as well as your own, is our prime concern.

You can also seek help by phoning 07581 283092.
